## President's Corner

March 8th - Annual Membership Awards Banquet and the Club's 50th Anniversary Celebration. What a wonderful evening! The roses were beautiful but pale by comparison to wonderful memories, fellowship, reconnecting, and sharing - what a great evening! We celebrated members' accomplishments from 2012 and heard about some accomplishments from 1960's and 1970's. I especially liked hearing from all present what drew them to Shelties, and how they met their first Sheltie. I learned a lot about some of our "newer" members and remembered and laughed a lot with some of our "older" ones. Jonathan Byrd's provided an ideal space for our dinner and wonderful food! Thank you to Cheryl Sharp for help with the desserts. And thank you to everyone for a great evening!

*Sincerely, Kathleen Morphey*

Tables were beautifully decorated

All attending the banquet had a very enjoyable time

Louka made his second debut. This time at the K9 Athletes April 13/14 CPE trial qualifying in level 3 in 6 out of 8 runs with 4 firsts and two second places. Best of all he was fast, happy and enjoyed himself immensely.

## From Liz Carroll:

Prelude's Show 'N Tell (Baku) finished her CDX title at the Greater Lafayette Kennel Club show. It took her 4 shows to get her CDX. After an NQ in her first show, she scored a 195, a 196.5 and a 196 and finished her title in two weekends. She also qualified and took first place in Open A at the Terre Haute show.

## From Bettie Hartsock:

Bliss ran well in the same AKC trials as Sunny, Bliss Q'd in 12 of her runs but still looking for a Double Q. Bliss Q'd 5 times at Pawsitive Partners USDAA trial on 4/6-7/13 and earned her Advance Pairs title.

## American Kennel Club Offers Tips for Stress-Free Travel with Your Pet

Millions of dog owners in the United States consider their pet to be a part of the family, so it's no surprise that an increasing number are including their pets in their vacation plans. Whether you're traveling by car or plane, taking a little extra time to prepare for the trip will make a world of difference when it comes to Fido.

The American Kennel Club (AKC®) offers the following tips to help make traveling with your dog a stress-free experience.

- **Dogs get anxiety too.** Many of the issues dogs face when traveling by car - most notably motion sickness - are caused by anxiety. Before you take Fido on the open road for a long trip, get him used to the car by taking many short trips. Take him to fun places like the dog park so he doesn't associate the car with going to the veterinarian and groomer only.
- **Experiment with feeding.** Before you take a road trip, experiment with feeding your dog before shorter car trips. Some dogs do better having not eaten for several hours before they go in the car, while others need to have a small meal immediately before the ride.
- **Be prepared to clean up.** Make sure to bring plenty of paper towels, cleaning supplies, and deodorizing spray to clean up. Accidents happen!
- **Check flights.** If you plan on taking your dog with you on a plane, try to find nonstop flights rather than ones with layovers. Pets remain in the plane's hold when it is stopped on the ground.
- **Buy a crate instead of renting.** Purchase your own crate instead of renting one from the airline. This way, your dog can get used to it before the actual flight.

- **Have identification.** Most importantly, make sure your dog has a collar and is microchipped should he get lost. His tag should have your cell phone number on it and check with your recovery service provider to ensure your contact information is current. To enroll your pet in a 24-hour recovery service, visit [www.akccar.org](http://www.akccar.org).
