After Show Dinner

Please plan to attend the after show dinner on Saturday, May 10th at the Johnson County Fairgrounds. The Indiana Collie Club invited us to join in the festivities. It is a pitch-in dinner with members from CISSC and ICC contributing to the food. Cost is \$5.00 per person. Meat will be provided by ICC. R.S.V.P. to Karen Weber at braetondog@sbcglobal.net.

Bragging Rights!!!

From Kathy McKee

Bliss, MACH Coastal Keeara Euphoria MXB, MJS, XF, CGC had one male puppy on April 5th. He is out of CH PaRay Alegria.

Words from the Prez:

Thanks to everyone who responded to our recent survey monkey. Your thoughts are important as we reevaluate our club. We want to keep true to the mission of the CISSC, but at the same time, we need to step back and understand the needs and wishes of our members today. Perhaps what worked well in 1973, 1993 or even 2003 just doesn't make sense now. That isn't to say there is anything fundamentally wrong with our club, but perhaps we need to look at how our members' needs as well as those our 4-legged friends, may be a bit different than when the club was chartered in 1973.

I recently was asked how many members we have - 21 regular members and 5 life members. So the next question was, "How does your club host 2 agility trials, 1 obedience/rally trial and a specialty show every year with so few members?" My first reaction was, well, we have a lot of help from non-member volunteers. Which is true on the day of the trials, but I don't think anyone realizes just how much time our members take out of their own busy lives to volunteer on trial committees; planning, organizing and executing. And still other members volunteer on the day of the events, even when they are not participating themselves. We need to remember, these are volunteer hours when they could be doing something else.

Would I like to see more members at our non-trial functions? Of course!! But what's really important is that we hold true to our mission which is what every CISSC member is doing by participating in the events we sponsor. So Thanks to All or You for the work you have done and will do in the coming months on behalf of CISSC!!! Without you, our club could not survive.

Using your feedback, we are making some plans that I hope you will find to your liking: Fun and educational experiences for our members, as well as more transparency to the day-to-day operations through a members-only page on our website. Please keep reading the Sheltie Showdown and watch your email for more information as plans are solidified work is completed. I am truly excited!!!

~ Kathy Underwood

2013 CISSC Awards

Certificates:

MACH Coastal Keeara Euphoria MX, MXB

Title: USDAA Advance Pairs

Show & Date Qualified: Pawsitive Partners Dog Training Center, April 7, 2013

AKC News

Tuesday, April 29, 2014

No matter what kind of coat your dog has, it's inevitable that you'll find loose fur around your house when your four-legged friend is shedding. Here are 5 tips to make the cleanup easier:

- A good brush. There are many types of brushes and the one you need depends on your dog's coat type. For example, a natural-bristle brush works best for short coats, a comb for long coats, and a pin brush for double coats and heavy shedders. You can ask your groomer or veterinarian for recommendations. Also, keep a brush by the door to give your dog a quick sweep while you're outside together. Regular brushing can help minimize the amount of stray fur you find.
- Keep the air moist. Running a humidifier when the weather is dry can help moisturize your dog's skin and prevent loose fur from traveling too far.
- Food affects fur. Your dog's diet is important. Feed her a high-quality food to keep her skin and coat in good condition.
- Don't go overboard with bathing. Too much bathing can dry out your dog's coat, which may trigger more shedding. Give her fewer baths to avoid this.
- Invest in equipment. Keep a variety of lint-rollers available and purchase a pet-quality vacuum to rid of all the loose fur to make your life easier during shedding.
